EVERYTHING'S COMING UP CHAMPIONS!

THREE NEW DBC CHAMPS!

WOW! Since last we met, DBC Members have not only been racking up the points at the shows, but we now have THREE New Champions and a NEW Obedience Title winner!

Finishing up her title with a Major at the shows in Kalamazoo over the long Memorial Day (and she only needed 1 point), is Tracy Isler's lovely L'oreal, CH. KR Sweet Sugar Baby of Pebblebrook, owned by Tracy and Ric Brown. L'oreal has followed up with some points toward her Grand Champion title!

Next to finish at Toledo KC is CH. KR Rika Baron of Westbury, bred and owned by Ric Brown and Kip Anderson. Rika already had his majors and had been looking for that elusive last point. The next day, also at Toledo he picked up his first Grand Champion point.

Ken Calloway's CH. Cherokee Legacy Grand Alaska picked up her second major plus 2 more points at the Kalamazoo shows and completed her title at the Midland, MI show going BOS.

We also have a brand new Obedience title holder with Anne Hier's Showbiz Ampirion Bright Lights Whatever Lola Wants, CD

PCD BN RI. Lola completed her Companion Dog Title in two weekends, finishing in Kalamazoo with scores of 194.5, 2nd place; 195, 2nd place; and 195.5, 1st place.

THE DREAM THAT MANY WILL NOT UNDERSTAND

My Dogs are my personal dream.

One day when I am very old and when I can not walk anymore, it will be in my heart as a trophy of my memories.

Every time I am with my dogs, I think about how wonderful they are.

I stopped talking about it to those who do not understand, and I learned to communicate with others of the same mindset.

I have met some amazing people I now call friends from all over this big world because of my dogs.

I spent money that I did not have, giving up many things, but all these things are not worth even one special moment with my dogs.

They are not just a pet or a thing that I own, they are the lost part of my soul and my spirit.

And when someone says to me: "It's just a dog", ... I do not answer. I just swing my head and smile.

A dog..... only the person who loves them understands it.

Wishing good Karma to my friends and all their dogs...

And the adventure continues...
